

Privacy Policy & Terms

We care about protecting the personal information of our visitors who use our website. This privacy policy provides details about how your personal information is collected, shared and used.

Collection and use of personal information

We do not collect any personal data about you on this web, apart from information which you volunteer share by using the "News Letter" subscription button to enjoy our promotions. Any information which you provide in this way is NOT made available to any third party, except the e-mailing platform provider Mailchimp[®] that we use to deliver to you the "News Letter" that you subscribed previously. This info is used only for the purpose for which you provided it.

Social Media

When you connect us through a social media networking the information you allow us to access varies by social networking site and depends on the level of privacy settings you have in place at the social networking site. You can control and find out more about these privacy settings at the applicable social networking site that you use.

Cookies: Collection and use of technical information

This website uses temporary "session" cookies which enable a visitor's web browser to remember which pages on this website have already been visited. Visitors can use this website with no loss of functionality if cookies are disabled from the web browser. Technical details in connection with visits to this website are logged by our internet service provider for our statistical purposes. No information is collected that could be used by us to personally identify website visitors. The technical details logged are confined to the following:

- IP address of the visitor's web server
- Previous website address from which the visitor reached us, including any search terms used
- Country from which the visitor reached us
- Web browser and operating system used by the website visitor
- Key words.

We will make no attempt to identify individual visitors or to associate the technical details listed above with any individual. It is our policy never to disclose such technical information in respect of individual website visitors to any third party (apart from our internet service provider, which records such data on our behalf and which is bound by confidentiality provisions in this regard) unless obliged to disclose such information by law. The technical information will be used only by us and only for statistical and other administrative purposes. Note that technical details, which we cannot associate with any identifiable individual, do not constitute "personal data" for the purposes of the Data Protection Acts.

Marketing Communications

If you are interested in our marketing communications you will have to request it specifically by subscribing to our "News Letter" button. If you desire **to opt out** you will have to request it by the unsubscribe system clicking the link called "unsubscribe" that you will get in each e-mail that you receive from us. With this, your details will be deleted from our e-Mailing platform provider Mailchimp[®].

Third Party Websites

This privacy policy does not address, and we are not responsible for, the privacy, information or other practices of any third party, including any third party operating any website to which this website contains a link. The inclusion of a link on the website does not imply endorsement of the linked website by us. Additionally, we may provide you with access to third-party functionality that permits you to post content to your social media account(s). Please note that any information that you provide through use of this functionality is governed by the applicable third party's privacy policy, and not by this privacy policy, and we do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data to these websites. By the other hand we will never be responsible of injuries caused by cyber attacks and we do not accept any responsibility or liability about that.

General Data Protection Regulation

We think in privacy seriously and we will not at all disclose personal data without consent. We will only use your email address to provide you with information in relation to your submitted online inquiries. The sender's email address will only be visible to staff tasked with dealing with the query.

Personal information collected is stored securely and deleted straight away after using it for the inquired action submitted. No personal information is given to any third party. All details are held under strict General Data Protection Regulation.
